## La sostanza che offre **affidabilità**

The substance that offers **reliability**

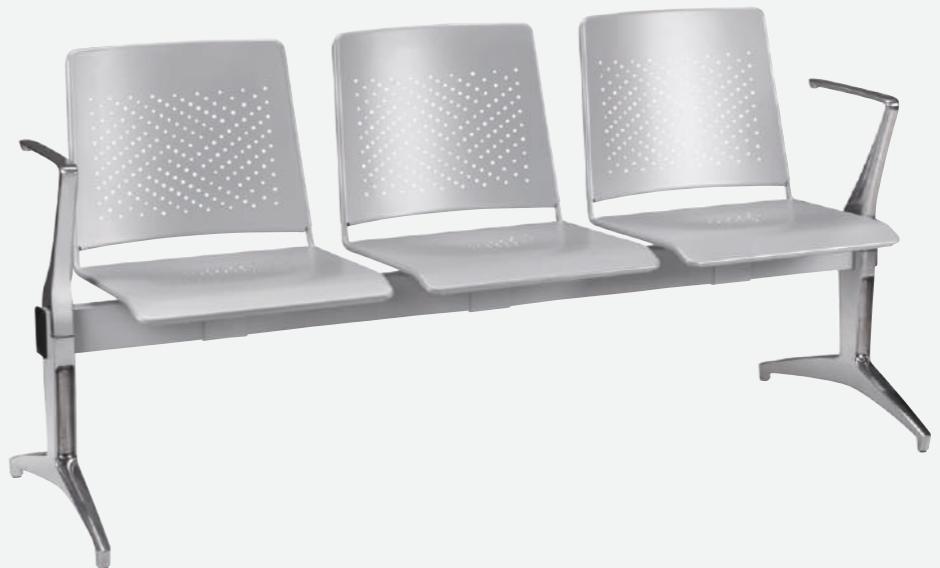

Questo sistema di pance è stato studiato per spazi attesa, anche di ampie dimensioni, all'interno di uffici, aeroporti, ospedali, centri commerciali, impianti sportivi. Robusto e affidabile, è realizzato con struttura in tubo d'acciaio e gambe in alluminio e acciaio, mentre la seduta è caratterizzata dal disegno particolare di sedile e schienale in lamiera forata.

This bench system was designed for waiting areas, even if with large dimension, inside offices, airports, hospitals, commercial centers, sports facilities. Sturdy and reliable, it is made with steel tube structure and legs in aluminum and steel, while the seat is characterized by the particular design seat and back in perforated sheet metal.
