

KEOPE

Morbidezza facile da **amare**

Softness easy
to **love**

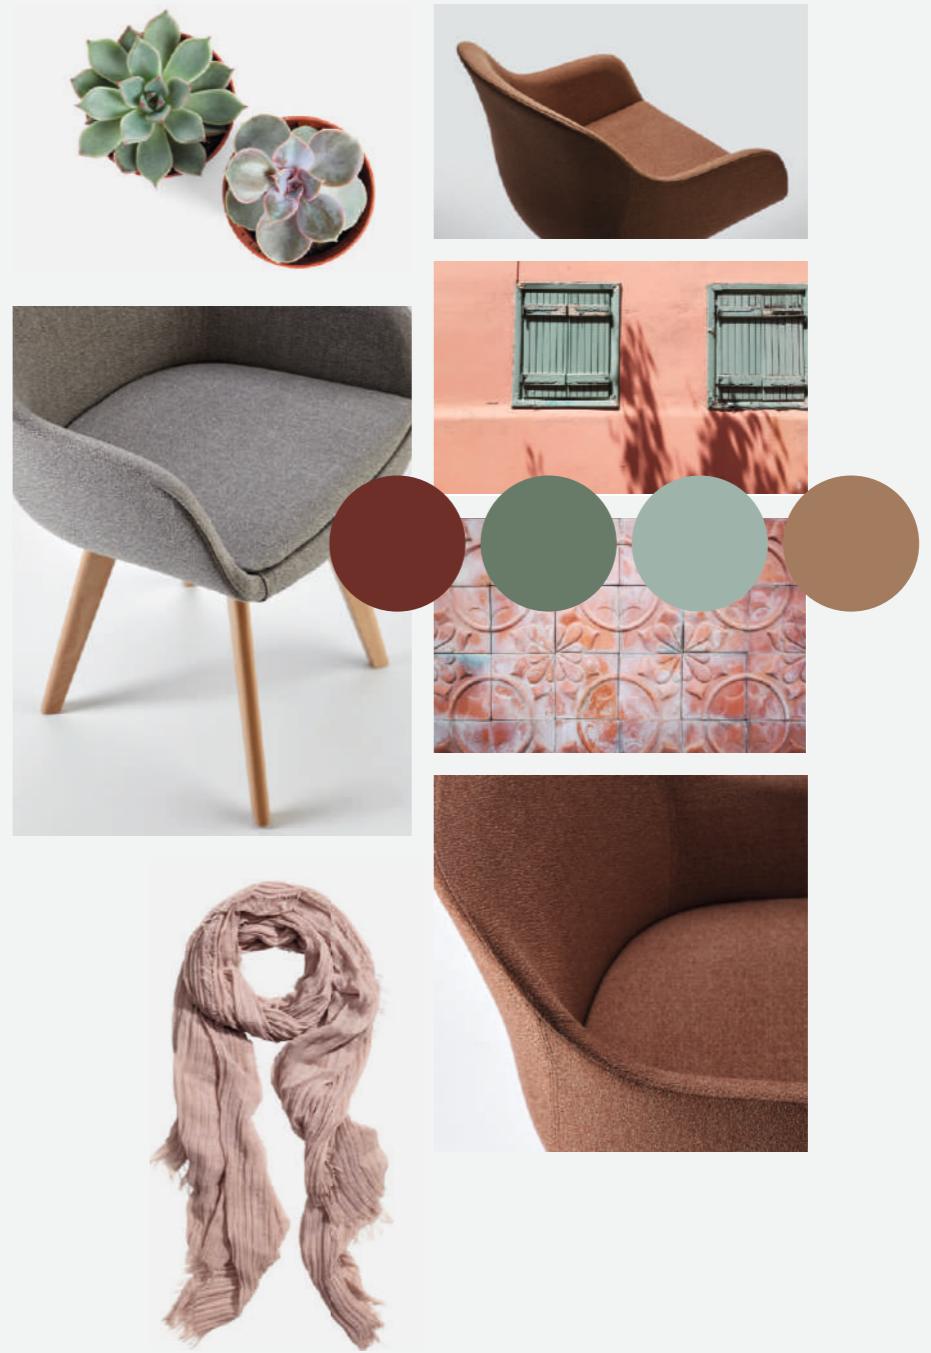

La grazia di una poltroncina morbida, che invita a mettersi comodi, è perfetta in ogni ambientazione. Sinuosa e accogliente, Keope si distingue per la seduta ampia, dove schienale e bracciolo sono creati da un'unica linea. Disponibile con tante tipologie di basi diverse, incluse delle eleganti gambe in legno, è perfetta nelle aree conversazione e lounge ma anche in un salottino e in una sala riunioni più personale.

The grace of a soft armchair, which invites you to make yourself comfortable, is perfect in any setting. Sinuous and welcoming, Keope is distinguished by the wide seat, where backrest and armrest are created from a single line. Available with many different types of bases, including elegant wooden legs, it is perfect in the conversation and lounge areas but also in a sitting room and in a more personal meeting room.
