## Lo spazio è in movimento

---

### Space is in motion

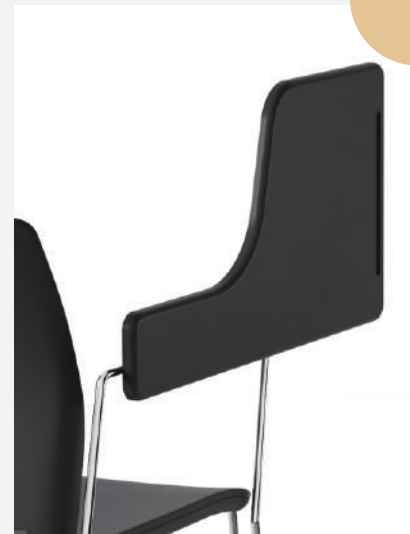

Acciaio cromato e polipropilene disegnano una sedia robusta e allo stesso tempo molto agile, dedicata a spazi conferenza, studio, attesa. I dettagli e gli accessori sono al servizio della comodità e della rapidità d'uso, come la tavoletta ribaltabile per appunti e il carrello per trasportare le sedie impilate, quando lo spazio deve essere modificato. Disponibile con telaio in filo, base quattro gambe e panca multiposto.

Chromed steel and polypropylene design a sturdy and allover chair at the same time very agile, dedicated to conference, study and waiting areas. The details and accessories are at the service of comfort and speed of use, like the tablet tipper for notes and trolley to carry up to chairs stacked, when the space needs to be changed. Available with cantilever base, Four legs and bench.
